

# BESQO BROCHURE

Serving ships with high quality;  
Customizing the program for shipowner;  
Achieving a win-win situation

---

# Company Profile

---

BESQO is a full line maritime stoking equipment and spare parts distributor for all major OEM Manufacturers and has grown to be a major role player in the marine and servicing general shipping, fishing, oil rigs. We supply an extensive range of equipment, including anchors, anodes, battery, boat fittings, blocks, chain, clocks, barometers, motor cables, steering cables, aerials, fish finders, GPS / global positioning systems, radios, switch panels, marine fenders, crayfish nets, marine floats, hooks, fids, knife, chainblocks, lever hoists, life rafts, alloy chain, compasses, marine lights, nets, shackles, thimbles, rigging screws, pilot ladders, Jacobs ladders, rope, flares and pyrotechnics, steel wire rope, oars, pumps. We manufacture and supply ex-stock the largest range of safety equipment-from life rafts and pyrotechnics to Weichai engine. Our wholesale section and service covers full range of products required maintaining and servicing a small craft.

BESQO dedicates to serve marine contractor, global ship-management business by establishing global supply network in China, India, United Arab Emirates, Singapore and United State. We aim at becoming a leading supplier and solution provider in marine and offshore industry by providing best procurement experience.

# Vision and Mission

For more than ten years, in line with the business philosophy of taking talents as capital, technology as driving force, and customer demand as our responsibility, a group of technical and management elites have been gathered in the company to build an excellent management team.

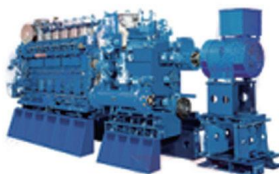

Our goal is to become the preferred partner for spare parts supply in the global marine industry. We are committed to providing high-quality spare parts to ensure efficient and reliable ship operation. We continuously improve customer satisfaction, create greater value for customers, and strive to promote the progress of the marine industry.

## Qualification

BESQO MARINE has obtained the ISO 9001 Quality Management System certification, consistently adhering to high standards and stringent requirements to provide customers with high-quality products and services.

As a member of the IMPA (International Marine Purchasing Association), all inventory materials are strictly categorized and organized according to IMPA codes. The integrated ERP platform ensures accurate and automatic matching of customer needs, enabling efficient front-end and back-end responses. This allows BESQO MARINE to deliver fast, professional, and one-stop services, ensuring the safe navigation of international vessels.
