

# WE ARE YOUR ONE-STOP SHOP

FOR ANY KIND OF SPARES AND BRANDS

## GENUINE

### Original Spare Parts

Genuine Parts manufactured by the Original Equipment Manufacturer (OEM). They are identical to the parts originally installed in the equipment.

## OEM

### Original Manufacturer

OEM Parts are made by the Original Manufacturer who produced the parts for the equipment, but they may not carry the manufacturer's branding.

## REPLACEMENT

### True to the Original

Replacement Parts are made by Third-Party Manufacturers. They are designed to meet the same specifications.
