COMPANY PROFILE

Oceanic Global Marine Supply L.L.C specializes in the sourcing and supply of electrical fixtures, fittings, spare parts and consumables to the marine & offshore industries.

From our base at Dubai, United Arab Emirates, Oceanic Global Marine Supply meets the requirements of shipping companies, ships managers, ships chandlers and ship repair companies worldwide.

With over 25 years of experience within the maritime sector, the directors of OGMS have established strong contacts with numerous "Blue Chip" manufactures of top quality products specifically designed for the demanding application of the marine and offshore industries. From ABB control gear, Barksdale pressure switches, Chalmit light fixtures, Oceanic Global Marine Supply can supply "your" needs at the best price.

On a daily basis, using one of our courier partners, we supply goods to all points on the globe. So, wherever you may be OGMS can meet your requirements promptly, with minimum fuss at a competitive price.

OGMS is registered with Shipperserv as a Smart Suppliers and we offer vast array of products. We welcome any enquiries, no matter how obscure, to quote for your company's requirements whether you use the **IMPA** or **ISSA** catalogues and we offer our experience, expertise and our guarantee to do our utmost to source the items you require.

Whether your require a light fitting for a Korean built ship, a plug & receptacle of German design, an explosion proof cable gland for an FSPO or 110v lams to American specifications please telephone fax or email OGMS, your "local" marine electrical specialists "wherever you maybe".
