

Bronia GmbH

SIMPLIFYING SAFETY – YOUR TRUSTED PARTNER IN MARITIME SAFETY

Our Vision & Mission

Our Vision:

At Bronia we believe that fire safety on board of ships should not be complex or even complicated, we believe safety needs to be elementary.

Our Profession:

We live shipping and safety inspections. Our experts unite the knowledge of managing ships on one side and operational risks on the other side.

Our Motto:

“Bronia – Simplifying Safety” means our commitment to make maritime safety straightforward and accessible, no matter where your vessel is.
