SHIP SPARES SUPPLY & EXPORT

We are one of the leading Suppliers/Exporter of Used/Refurbished marine machineries and spare parts to the shipping industry across the globe, with clients ranging from ship owners & ship management companies to marine machinery traders.

Our Team of highly experienced technical professionals, conduct several checks related to performance of the product before handing it over to the sales team. Our commitment to both quality and value guarantees a service that is second to none, irrespective of the order being for one of the spares or a complete ship-machinery solution.

By implementing a flexible and innovative approach towards the needs of our clients, our Vision is to develop a stable client base with significant repeat business. Alongside our vision, we are working towards our Mission of meeting or, wherever possible, exceeding the expectations of our clients.
